My dear Sir,

The Marimallappa's School is managed under the decree of the District Court, Mysore, passed about 40 years ago. The proceedings of the Trustees passed at their meeting on the 19th instant was sent, as usual, to the District Judge. He has called for some of the papers relating to the proceedings, especially the L.C. of the Government recommending the extension of the notice of my retirement for 2 months & has asked the school authorities to respect the order of Government. In the meantime, Mr. Reddy has sent Mr. K. Krishna Rao to Mysore to take charge of the School from me. On the 19th, it was ordered that the charge should be given to Mr. Srinivasa Rao of the local Training College and yesterday, Mr. Krishna Rao has taken charge of the school.
